

# Snakes

September 12-14, 2025  
Camp Asbury, Hiram Ohio

Since ancient times, snakes have been a symbol of death, transformation, renewal, rebirth, sexuality, fertility, wisdom, protection, temptation, healing and medicine. For those that connect with the snake as an animal guide, or the snake spirit animal, they are natural healers, helping not only themselves, but others to improve their lives. Snake lovers are unique individuals that pave their own path in life. Snake spirit animal people are also naturally grounded individuals and are some of the most charming, mesmerizing, sensual and hypnotic people you'll meet.
